POLICY AND GUIDELINES FOR PAKISTAN CIVIL AWARDS - 2024

General

Pakistan Civil Awards are conferred upon the most meritorious and distinguished individuals every year to acknowledge their excellence and surpassing achievements at the National level, under Article 259 of the Constitution of Islamic Republic of Pakistan 1973; Decorations Act 1975; and Warrant of Institution of Pakistan Awards (Civil). The business of Civil Awards has been assigned to the Cabinet Division under Rules of Business, 1973, Schedule II, Entry 22. This policy has been revised to improve objectivity in the selection process. The Procedure and Guidelines for recommending and processing Civil Awards have been issued from time to time, however, they are not available in a consolidated form. To ensure the prestige and sanctity of the National Awards, "Quantified Proformae for Evaluation" have been improved to focus on the benefit to the public and excellence in the field, rather than routine career achievements. To further streamline the process, an elaborate effort has been made to define the role of the Nominating Agencies clearly and to constitute dedicated committees for more transparency and objectivity.
